

High Note Fingerings for the Oboe

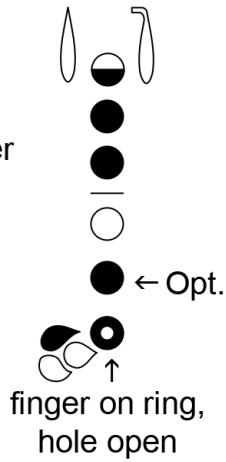

High C# (Db)

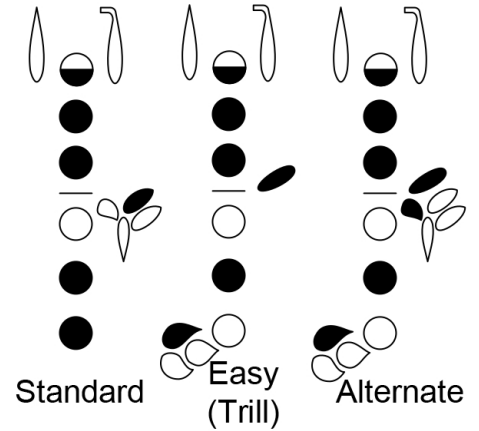

High D

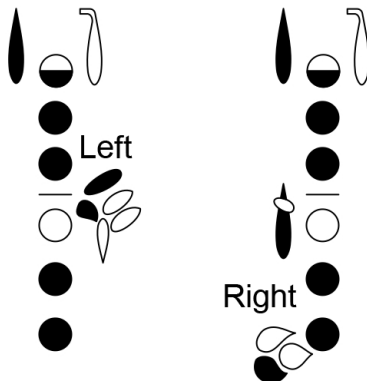

High D, for slurs

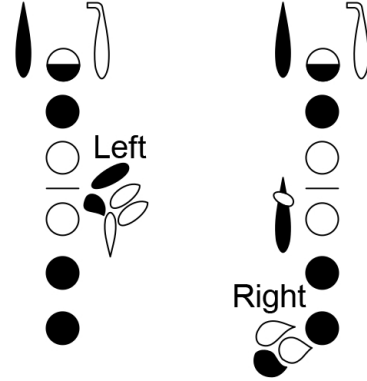

Three High Eb's (D#'s)

Two High E's

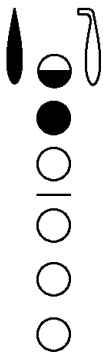

Two High F's

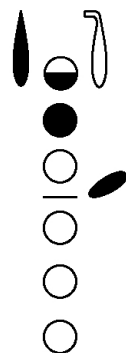

Two Short Fingerings

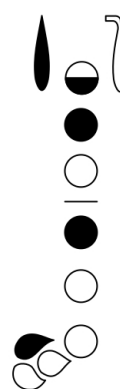

High E

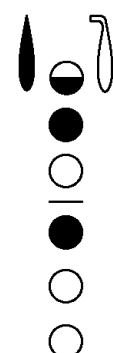

High F

High F# (Gb)

High G

*If the third octave key is available, it may be used on any note high E or above instead of the back octave key. It is especially helpful with high F# and G.
